Dear Parents,

RE: Parent Payments

Dear parent/guardian,

Point Lonsdale Primary School is looking forward to another great year of teaching and learning and would like to advise you of Point Lonsdale Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising (market) or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to run our classroom music program, expand our arts experiences and upgrade information technology capabilities in the classroom.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Refunds

Pt Lonsdale Primary School (PLPS) has the discretion to provide refunds to families and will do so where it is reasonable and fair (for example, if the school has not incurred a cost). If the PLPS has incurred costs, the school will act reasonably and take into consideration the [Financial Help for Families Policy](#) and relevant arrangements, including support for families experiencing hardship. For example, PLPS will refund families for unavoidable event cancellations if a family experiences a crisis or sudden serious illness and the student can no longer attend the event. If PLPS decides to provide a refund, then parents need to agree and advise PLPS where the refund should be paid. If that agreement cannot be reached, the refund is usually paid into the account from which the money came. Where the payment was made in cash, PLPS will wait until the parents reach an agreement and advise PLPS. (RE: School Operations Guide - Parent Payments Policy.)
