## Principal's Report Quick News

Another crazy week—but we are all still sane.

Yesterday we began the day with an assembly where we could re-connect and share some of our lockdown experiences. We talked about our zoom sessions and that this may happen again but that we know what to do—We can do school this way because learning is anywhere, anytime, anyway, any place.

Most importantly we are all learners and everyone of us learns something new each day—even the adults.

It was great to meet so many parents last week at our “interviews” and again as you joined your children during our zoom sessions earlier this week. The bonus this week was that we got to meet pets, siblings and favourite toys too.

The weather has been kind to us so we have all been able to get out and about and enjoy the beach, parks and our own backyards. Today we had our first in-water Nippers session with 100% participation.

Next week all classes will continue learning about the Wadawurrung including some language.

Music with Tim and Melody on Monday and of course Nippers on Friday for years 3-6. In between there is lots of reading, writing, mathematics and research work underway.

Congratulations to our newly elected House Leaders.

**Glaneuse (Green) - Daisy Sheather Flynn Bastiaans**  
**Sacramento (Yellow) - Issac Chinn Lilah Murray**  
**Columbine (Blue) - Skye Wayth Lily Curtis Ewan Malley**

Already they are showing their initiative coming up with ideas for Covid safe activities we can all enjoy.

Have a great weekend and keep checking Skoolbag.
